VUELOS EN GLOBO - BALLOON FLIGHTS

Who are we?

AEROGLOBO, a pioneer company in balloon flights for pleasure within the Valencian Community, invites you to know more about us and what we have to offer. The flight that best adapts to what you are looking for: an adventure, a gift, a dream...

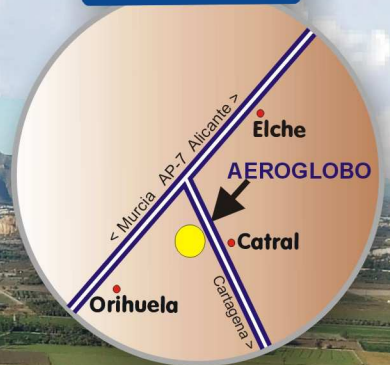

With more than twenty five years experience, Aeroglobo offers you the joy of our flights in total safety and guaranteed.

Facilities

Aeroglobo operates from Resort Marjal Costa Blanca (Catral), a place with modern facilities that will allow our clients to enjoy, if they wish, of a great variety of services: Spa-Restaurant-Terraces-Sports Facilities etc.

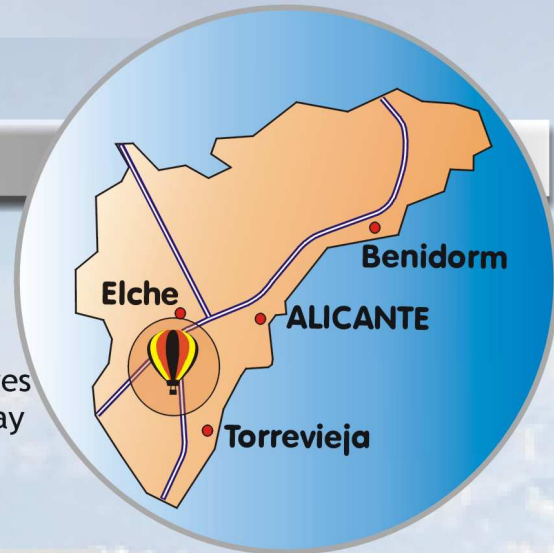

You can get easily there from motorway AP-7 and is strategically located 30 minutes away from Alicante, Murcia or Torrevieja. Located in the heart of mediterranean countryfields, this peaceful area invites you to relax and enjoy its ways, its corn or artichokes fields without giving away all the comfortable facilities the Resort offers you.

UBICACIÓN

Where do we fly?

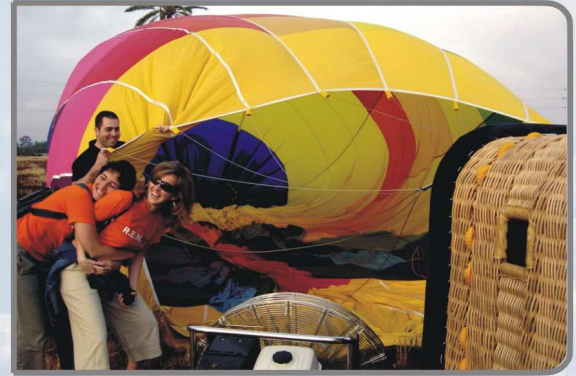

The flying area is located in the south of Elche, to 30 min. from Alicante And Torrevieja. These areas are famous for their green fields and marshlands known as El Hondo and the rural palm groves groves of Elche, a beautiful enclave where the palmtrees play the leading role in these lanscapes.

Activity details

- **Activity duration:** 3h. (from 8:00 to 11:00 a.m)
- **Time Flight:** 1h.

INFLATING THE BALLOON In a friendly and helpful atmosphere we will carry out the spectacular sight of inflating the balloon with the collaboration of all the passengers.

FLIGHT: During the flight the passenger will live an experience full of emotions. The coastline, the inland mountains or the rural palmgroves of Elche are just some of the beautiful landscapes which we will enjoy in a calm and silent manner aboard our balloon.

OUTDOORS PICNIC & CHAMPAGNE: Once our flight has ended, a refreshing picnic will be waiting for you to regain strength. To celebrate the experience, the pilot will offer a glass of cava as a toast and a certificate of the flight.
